

Literature Survey[ONLINE EDUCATION HUB]

- (1) Provides Notes & Study Material For Free. This is a Very Important Point For those Who Can't Afford. They Also Has Paid Plan But Work Can Easily be Done in Free Version too.
- (2) Some Websites Have Ads on their Website. This is Annoying. When we Go on Downloading it is keep redirecting on other scam websites. (lecturenotes.in) Doesn't Have any Ads.
- (3) Content is Latest & Updated. As this is online it is Easy to do so. So You Don't Have to Worry About Whether Your Notes are Updated or Not. Admin Has Access to Change the Material. An exact copy of the original can be made any number of times without any degradation in quality.
- (4) Physical books are still more popular than eBooks (Study Related). But the number of people reading books the digital format has been increasing consistently. The younger readers opt for digital versions of books to read the content anytime and anywhere. Also, they can access the eBooks anytime and anywhere using their mobile devices.
- Same Goes With Notes too. Most of the time Students Go For Someone Else's Notes. So this is a Efficient Way.
- (5) Students can find the required information instantly. Also, they can use the search option to find and sort digital resources by simply entering relevant words and phrases. The user is able to use any search term bellowing to the word or phrase of the entire collection
- (6) Online Education Hub enable readers to read eBooks (Study Related), Notes, and watch videos 24 hours a day. The readers can access and read the library materials in digital format anytime and anywhere using their preferred devices. Provides access to much richer content in a more structured manner.

- (7) With the much larger volume of digital information, finding the right material for a specific task becomes increasingly difficult.
- (8) Online Education Hub will need high band for transfer of multimedia resources but the band width is decreasing day by day due to its over utilization.
- (9) Online courses offer students greater flexibility to study while balancing commitments and user should be able to take courses anywhere through any devices
- (10) The only thing that is dislike is probably one of the greatest strength of the website they offers a lot of stuff in which students gets confused
